

Investing in the next generation of insurance professionals.

JOINING ICT - EDUCATION FOUNDATION

The ICT Education Foundation encourages young men and women to enter the property and casualty job market to help oversee \$45 billion in insurance coverage every year.

The Foundation is supported by generous donations from companies and individuals just like you. Donations are tax-deductible and all money raised goes to support students and IRM programs throughout the state.

We welcome your support and donations. Find out how to give at insurancecouncil.com.

We appreciate and value our university partners and their dedication to fostering the next generation of insurance professionals.

Over 530 insurance and risk management students have been honored with ICT scholarships since 2002.

The ICT Education Foundation has awarded over \$1,100,000 in scholarships and academic funding for university students.

ICT Education Foundation scholarship candidates are recognized for their academic achievement, classroom participation and interest in pursuing a career in the insurance industry.
