

Benefits of Membership

Member Education Opportunities

ICT provides an opportunity for members to gather and learn the latest developments in insurance and technology impacting their business through our seminars, conferences, and annual insurance symposium. Members also have an excellent opportunity to network with peers while learning from some of the leading insurance experts from Texas and across the nation. Through our [podcasts](#) and [webinars](#), our members stay up to date on the current trends and emerging issues throughout the year.

Investing in the Next Generation

ICT recognizes the importance of giving back to the community and helping our industry to prepare for the future. We created the **ICT Education Foundation** to promote insurance education for Texas university students and through the generous donations of our members and individual insurance professionals, we have been able to fund \$1.29 million in scholarships and academic awards for students studying insurance and risk management at 12 Texas universities.

The Insurance Council of Texas is a nonprofit trade association that serves and promotes the property and casualty insurance industry.

ICT is the largest state-based insurance trade association in the United States, with more than 400 member insurance companies writing business in Texas, representing over 78% of the Texas property and casualty market, and dozens of associate members.

Benefits of membership at ICT include:

- *Monitoring and reporting on the Texas Legislature*
- *Representation before TDI and other agencies*
- *News, information, and analysis of regulatory efforts*
- *Exclusive, members-only website content*
- *Industry representation to the Texas & national media*
- *Member education events and opportunities*
- *Standing committees provide members a voice*
- *Industry news updates (daily, weekly and monthly)*
- *Investment in the next generation of insurance professionals through the ICT Education Foundation*
